OYSTERS

The Netherlands is renowned for its Dutch Imperial Oyster also known as "Zeeuwse Platte." It is the only oyster native to the Netherlands. We work with the Dutch Imperial oyster company 'DE OESTERIJ' located in Yerseke and founded in 1906. Every day they sail out to harvest or relocate the briny treasures in Lake Grevelingen so that they arrive as fresh as possible to Toon. We keep them fresh for you in our oxygenated and filtered salt water tank.
